Correction: Outcomes of deep venous thrombosis management and associated factors among patients in tertiary hospitals in Addis Ababa, Ethiopia: a multicenter retrospective cohort study

Seble Birhane¹, Melak Gedamu Beyene¹, Fishatsion Tadesse² and Assefa Mulu Baye^{1*}

Correction: *Thrombosis J* 22, 62 (2024)

<https://doi.org/10.1186/s12959-024-00627-2>

Following publication of the original article, it was observed that a comment made by the authors during the proofing stage was included in the final published version.

The comment read as “**Predictors of recurrent DVT and major bleeding**” shall be “**Predictors of recurrent DVT**” and was located at the end of the first paragraph of the Introduction.

The original article has been corrected.

The publisher would like to apologize for any inconvenience this may have caused.

Published online: 31 July 2024
